Multi-Class Swimmers

Multi-Class swimmers may meet the qualification times in a 25m short course pool only. There is no qualifying time for the 100m IM but it is still able to be entered. However, please ensure the swimmer can perform each stroke.

Heats and finals will take place for all events, except the 200m strokes, 400m Individual Medley and 800m/1500m Freestyle for intellectual impairments which will be raced as timed finals during the heats sessions for medals, with swimmers to race amongst the able-body heats.

Medals and club points will be distributed based on the World Para Swimming points system (similar to the percentage of the world record calculation) and equivalent for the alternative pathway classifications using the meet software of which results are final. To confirm, this means that one set of medals will be presented for each respective Multi-Class final.

Swimming NZ is wanting to grow Multi-Class swimmer's involvement in relays. The introduction of relays (listed below) will be exhibition swims, so **no club points or medals will be awarded**. S15-S19 swimmers can enter also.

Relays

Relays will be timed-finals with all timed-finals being swum at the end of the finals session. Relay events can be entered by a national selection team (for selection purposes – including Para swimming teams), a club team or a Para/regional/zonal team.
